QED

From the HATTER to YOU

No, you're not seeing things. There's a very real third person in that picture of the editor and business manager. He's the Hatter himself, the honest-to-goodness Spirit of Stetson! Where did he come from? We're not absolutely sure, but one afternoon when we were up to our ears in general confusion, someone saw him sitting on our list of misspelled names. From then on he was with us. All we had to do to make him appear was drink three cokes spiked with Hadacol.

Seriously though, the little fellow's had quite a year. He yelled himself hoarse at all the games, promenaded to the Pazzunt's parodies (on music) in his new ROTC uniform, and, as always, budgeted his pennies and counted his quality points trying to make both stretch a little bit farther. He greeted you on the cover and he's here now to be your guide through the '51 HATTER. We hope you enjoy what he has to show you as much as we enjoyed putting it together.

To Professor and Mrs. H. S. Winters

LONG A PART OF THE
SPIRIT OF STETSON

WE

DEDICATE

THE

1951 HATTER . . .

Harry S. Winters, professor of history and political science, completed his 24th consecutive year on the faculty of Stetson University on May 31, 1951. The son of the Dean of Women at Stetson from 1888 to 1892, he attended DeLand Academy and was the first man graduate of the University, receiving his degree in 1896. After doing graduate work at the University of Chicago, Peabody College, and Vanderbilt University, he joined the faculty at Stetson in 1927.

Mrs. Winters is the former Mabel Allen, one of the first thirteen students enrolled in the academy which later became Stetson University.

Professor and Mrs. Winters spend their summers at the Baptist Assembly at Ridgecrest, North Carolina. They have a keen interest in the religious activities of the campus, having given their former home to the University for use as a student religious center.

Professor and Mrs. Winters are part of Stetson. Their influence has been felt through the years in making our University the school of which we are so proud today. To them we dedicate the 1951 HATTER.

From THE PRESIDENT'S *Pen*

Through the pages of the 1951 Hatter, I send greetings to all Stetson men and women everywhere. To those of you in the student body who have been working and playing together in 1951, these pages will mean much. For all who love Stetson, the record of your achievements as here pictured will revive pleasant memories and stir deep emotions.

As another college year comes to a close, men in uniform are seen marching on our campus again in training for military service. Once again, each of us senses the importance of discovering the part we must play in a new phase of an old struggle.

Stetson University has served the nation well in the three prior wars during its history. Stetson men and women are doing their duty in 1951.

Sincerely,

A handwritten signature in cursive script that reads "J. Allen Edwards". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".

FOUNDERS' WEEK

The whole campus joined in activities to recognize our founders and express our gratitude to them. The Women's Council honored the special guests and wives of trustees at a tea (1). The Invocation Service on Sunday afternoon (2), honorary degrees were conferred on Miss Helen DeLand, G. Henry Stetson (3).

RELIGIOUS FOCUS WEEK

Maximum Christianity Applied

A week that was dedicated to "Maximum Christianity—Applied," when such outstanding men as Bob Denny, Dr. George Schweitzer, Bob Norman, Jackie Robinson, and Fred Smith along with nine other outstanding leaders and pastors made Christianity something practical and workable for a college student. Bull sessions, chapel programs, class room visits, and evening services filled the busy week.

COLLEGES

LIFE CYCLE of the FRESHMAN

Faculty advising may
Be quite an ordeal,
But this bunch of problems
Has "Freshman" appeal.

The purpose of registering
I've concluded of late,
Is to teach you your name
And to write the right date.

Advisors are marvelous;
They help you galore.
You can't get into mischief
They weren't in before.

A word from the dean,
(No men are allowed)
Is holding attention
Of this lovely crowd.

All meet the president
And chat for a while.
It's a grand chance to flash
Your "Pepsadent" smile.

The tables are turned,
No women are seen.
It's confidential
With men and their dean.

The grand talent show
Had to end at last.
Who had more fun,
The audience or cast?

Who's the expert?
I don't know who won.
It's all part of rushing
And oodles of fun!

Nope, they're not angels
(No wings or halo)
They're the feature attraction
Of the Rat-Week Show.

Here's a fellowship party
And leader so able.
(I wonder who's hiding
Under that table?)

So was the life of a freshman!
They came bouncing through,
And will be Stetson's sophomores
In '52.

The Association attempts to promote the interests of the students individually and collectively, and to provide a measure of self-government for the members of the law school. It consists of the entire membership of the law school and seeks to develop an atmosphere of cooperation and better understanding among students and faculty.

PRESIDENT CLARK

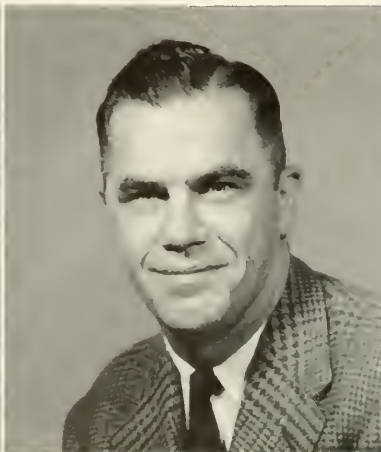

The officers of the Student Bar are as follows: Julian G. Clark, President; John Booth, Vice-President; James Hansford, Social Vice-President; Dominic A. Troiano, Secretary; and Malcolm Stevens, Treasurer.

CHIEF JUSTICE CASALE

The purpose of the Honor Court is to promote an effective educational campaign against forces which are beneath the dignity of law and the position which the law occupies in the American form of government. The Honor Court serves as a court for the trial of infractions and the recommendation of punishment in case of guilt. The court consists of seven justices, two of which are from the freshman class, two from the junior class, and three from the senior class. The chief justice, head of the Honor Court, is elected from the seven justices.

The Honor Court this year is led by Chief Justice Michael Casale. Other justices, representatives from each of the classes, are Dave Bride, Paul J. Stewart, Vince Thornton, Frank Wilkinson, Jim Tucker, and Gerald Staab.

ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear.
Hail to the heroes who have gone before us.
Young men and maidens, filled with true devotions!
Bright is their glory, fadeless and undying,
Hail to our heroes gone!
Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus;
Long live our comrades dear!
Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail, Alma Mater dear!

JOHN B. STETSON UNIVERSITY GLEE CLUB TRAVEL SQUAD

The Glee Clubs consist of one hundred and ten voices selected by audition from the student body. Forty voices are selected as a travel squad which makes an average of fifty-five appearances each school year. Concerts are given in Florida and nearby states. The past year was highlighted by a coast to coast broadcast over the Mutual Broadcasting System on the College Choir Series program, an appearance before the International Kiwanis Convention, and a production of Sigmund Romberg's "Desert Song."

Other highlights included the annual presentation of "The Messiah," and an appearance before the District Convention of Kiwanis. The clubs sang for the Annual Florida Baptist Convention, the state convention of the Women's Missionary Union and, it is interesting to note, presented "The Messiah" at the Edison Pageant of Light.

The band and glee clubs appeared together for the second time as a marching unit during Homecoming. The organizations also provided the customary music for commencement.

A great amount of time is devoted by the "glee clubber" to the clubs, but there is compensation from singing under the direction of a conductor like Prof. Harold M. Giffin in the form of fine experience and just the plain joy of it all.

ROGER M. CUSHMAN

Professor of Piano, School of Music

Prof. Cushman entered Yale University School of Music where he received his Bachelor of Music and Master of Music degrees in piano. During graduate study he taught piano at Yale and won there the Ditson European Fellowship which enabled him to study piano in London, England, with Nicholas Medtner and Tobias Matthay for several years.

Upon returning to the U. S., Prof. Cushman became a member of the piano faculty at Oberlin Conservatory of Music in Oberlin, Ohio. He then went to the North Texas State Teachers College at Denton, Texas, as associate professor of music.

After his honorable discharge from the Army, he returned for refresher courses in piano and in philosophy of music in the Classic and Romantic periods. After serving as chairman of the piano department and artist teacher at the Arthur Jordan Conservatory of Music, he came to Stetson.

MIAMI 35 STETSON 9

Gallagher, Bawden and Braadway tackle a Miami player

The Miami University Hurricanes defeated a stubborn Stetson football squad in the Orange Bowl in a practice game at the beginning of the season. The Hurricanes snapped off an early first quarter lead of 14 points. Their overall scoring came on a T.D. by Mike Vacchio off left guard; and again after grabbing a pass on the four. Ralph Fieler and Bob Schneidembach counted the other markers for the Hurricanes. Stetson scoring was by Dave Dean with a conversion by Martin and a safety in the Miami end zone.

STETSON 34 TROY 7

Stetson opened its regular 1950 football season at Conrad field with an impressive upset of Troy State Teachers College 34-7. The touchdown glory went to Fred Hogan in the first half of the ball game when he scored twice against the stubborn teacher squad. Jerry Gallagher carried over the third Hatter T.D. in the first half. Don Martin counted two extra point markers. The pass combination of Johnson to Laude was unveiled and accounted for the two second half scores. Both of Martin's conversion attempts were good.

DOTY

ARMSTRONG

Perhaps Stetson's biggest upset victory of the highly successful 1950 football season was the shading of the Wofford's Tigers in Spartanburg 23-20 to break their 24-game winning streak. Don Martin recovered a fumble in the end zone for the first Hatter score. Stetson trailed at half-time 7-6. A seventeen-point third quarter counted touchdowns by Gallagher and Hagan, with Martin adding a field goal and two extra points. The Terriers scored twice in the fourth quarter, but the drive was too late. Billy Jo Leathers, rugged lineman, was outstanding in four periods on defensive play.

The rampaging Hatters chalked up Jacksonville Navy's eleven to the victory list by humiliating them in the local stadium 55-0. After a scoreless first period, Halfback Fulmer Armstrong lead scoring with three touchdowns. Charlie Broadway skipped off the best run of the season with a 55-yard dash in the second period. The long touchdown list showed Armstrong (3), Broadway, Hogan, Han, Johnson, Parrish and Don Martin counted six extra points.

STETSON 42

MILLIGAN 0

The Hatter team chalked up the fourth consecutive victory of the season by dropping the Milligan College Buffaloes 42-0. A Johnson to Laude pass with a Martin conversion was the only score until the third period, when the Hats began to roll. The third period scoring saw Johnson pass again to Singletary and Broadway intercept a Milligan pass and go for the next 6. Singletary intercepted again and a Delilla to Yonge pass counted the fourth and fifth

scores. Walt Jasinski took a Delilla pass for the final score. Don Martin kicked six successful conversions and Billy Jo Leathers and Paul Odom sparked Hatter defense.

STETSON 20

The Stetson Hatters dropped their first game of the season when they bowed to the Tampa Spartans 27-20 in Tampa. Even though the Hatters outplayed the Spartans in the second half, they failed to overcome Coach Sinkwich's squad. The Hatter scoring honors went to Lonsinger with a 70-yard touchdown sprint; Joe Raffaele, who snagged a pass from Bill Johnson for the T.D.; and Jerry Gallagher, who snatched a Johnson pass and went 18 yards for the score. Martin cashed in on two of the three conversion attempts.

LIVINGSTON 26

The Stetson eleven chalked up the fifth victory of the season by shading the Livingston Tigers 28-26 in York, Alabama. After the Green team worked the ball into Livingston territory early in the first period, Johnson passed to Laude for the first score. Martin's point was good. Livingston snapped back with a Reddish to Hicks pitchout for the score. The Hatters still led after the placement failed. After a third quarter Livingston punt, the Hatters carried 79 yards for the second score. Jerry Gallagher carried for the score. Fred Hogan carried for 60 yards after a Bowden interception in Hatter territory. The Livingston squad tried vainly for victory with three markers but Fulmer Armstrong carried on a pitchout for the insurance and the ball game.

FLORIDA STATE 27

STETSON 7

The Hatters suffered defeat to a Florida State Seminole team before a huge crowd in Municipal stadium after the Seminole team cashed in on several breaks for the stunning 27-7 score. The Seminoles scored first when Italiano passed to Driver for the T.D. The next State score came when Ted Hewitt intercepted a Johnson pass and skipped to the T.D. and the 13-point lead. Stetson's only score came when Jerry Gallagher bulled over from the 10. Don Martin converted. An Italiano to Brigger pass and an interception by Tommy Brown counted the final State scores to defeat the Hopeful Hatter team.

STETSON 43 ERSKINE 7

The Erskine Flying Fleet fell before a Homecoming spirited Hatter eleven 43-7 before a capacity alumni crowd. The Hats scored first after an Armstrong punt set the Fleet on their own one-yard line. Jimmy King caught Charles Stuart in the end zone for two points. The scoring rose when Bob Marks punched over and Martin rolled up the extra point. The last scores were counted by Laude on a pass from Johnson, Hogan from the six-yard line, Laude again on a Johnson pass, with Marks and Armstrong with one each for the final 43 points.

STETSON 41 W. KENTUCKY 14

The Hatters chalked up a more impressive margin in the Western Kentucky game in Orlando when they dropped the Hilltoppers 41-14. The Hats took the initiative in the second period with a Hagan sprint and a Johnson to Laude pass. A Johnson to Martin pass counted the third score to count a lead of 21 points over the Hilltoppers. Mac Stevens counted the first Hilltop score. Willie Han carried next for the 28th Hatter point. Warren Mahon carried for the final Kentucky T.D. Armstrong carried and Han received a pass for the final scores.

ALLEN HALL

"Thus Stetson Continues to Go Forward."

When the ground was broken on March 25 of last year and construction was begun, the realization of the dream of many people began to take form. In June our president laid the cornerstone; in November we dedicated the building; and on February 9, 1951, the William Sims Allen Religious Center Building was formally opened. That night the dream of Dr. Allen and countless other people became a reality.

The building houses the Winters Library and the Hobson Memorial Prayer Rooms. On the first floor are the music room, the lounge, kitchen, and auditorium with its stage and broadcast booth. Upstairs are the offices of the religious organizations, the work room and conference room. Designed and built with the sole purpose of giving the student body a place to relax and worship in a wholesome, Christian atmosphere, the R. C. is accomplishing its goal.

To the ones who had the foresight and the vision for such a building, and to those who gave it, the Florida Baptist Convention, to all who were actively engaged in the planning, construction, and furnishing, we, the students of old John B., say "Thank you" and in the words of Dr. Allen repeat, "Thus Stetson continues to go forward."

The LIT, formerly the STETSON QUARTERLY, is the student literary magazine of the University.

Like Harvey, the well-known invisible rabbit, the magazine was not to be seen for a while, but with renewed student interest it made its comeback during the winter quarter, bearing its new title.

The LIT presents original prose, poetry, and illustrations by those students whose work is considered worthy by Dr. Hicks and the editors.

The highest honor given to any student at Stetson University is that of being chosen as a nominee for Who's Who Among Students in American Universities and Colleges. A student-faculty committee made the list of prospective nominees and submitted those names to the Academic Committee for the final selection. The Hatter extends his congratulations to Stetson's Who's Who.

1950 HOMECOMING

Homecoming was wonderful! But then Stetson Homecoming always is. The alumni turned out in droves (1) and the barbecue was a delicious success (2) in spite of a few spotters of rain and a sudden falling of the thermometer.

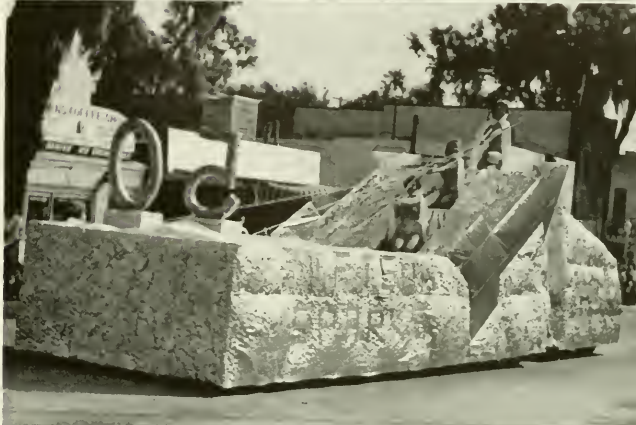

This is part of the parade of decorated floats (6). And oh! the work that went into those floats and other decorations (2). The judges sat in style on the reviewing stand while the rest of us ordinary folk stood on our aching feet and clapped for the float of our choice. Pi Phi (11), Sig Ep (12), and Sigma Nu (13) were the lucky winners.

The game was great, too. Especially as we won. Our sponsors looked lovely and handsome, respectively, and of course Maggie and Jack were tops as mayor and hostess.

The great day ended in a fitting manner. Who could ask for more than a handsome escort and the music of Charlie Spivak.

The Women's Council hit a new high with special 1 A.M. permissions, and by that time the most anyone could do was smile and murmur, "Good-night. It was wonderful"—that is about the best word for it, too. Stetson really sparked at Homecoming.

AFTER You Finish School WHAT?

What are you going to do?
What are you going to be?

Have You Considered
Food Retailing?

Food Retailing Offers You:

Employment in one of the largest, most stable industries of our country. Work in pleasant surroundings, with alert, aggressive, progressive people. Food retailing is not monotonous; new scenes and situations develop daily. All jobs in retailing is not behind the counter. There are department heads, supervisors, assistant managers, buyers and other jobs which offer unusual opportunity to those fitted and trained to fill them.

Success in food retailing is a good success. Most of those at the top began at the bottom. Under war conditions, with a general shortage of workers, there is exceptional opportunity now in food retailing even for high school girls and boys on a part-time basis. The experience and training gained now will fit you to advance rapidly when you finish school and enter full time employment.
